GARY KAHLER MEMORIAL SCHOLARSHIP

For almost 40 years, Gary Kahler served the construction industry and his community and was a role model for his contributions to the industry and the Permian Basin.

In 1973, Gary began his career in the construction industry as a framing carpenter in Fort Worth, Texas, and a few years later started Kahler Construction Company, Inc. In 1981, Gary moved his company to Midland, Texas, where his wife, Linda, joined the company. Together, they remodeled and built new homes and commercial offices in the Permian Basin.

Gary's integrity permeated his company where quality construction and client satisfaction were highly valued. He also believed in giving back to the community and regularly gave his time, knowledge, and other resources to several organizations including: Habitat for Humanity, Midland Fair Havens, and Texas Baptist Men Disaster Relief.

Gary Kahler was the third President of the Permian Basin Builders Association (PBBA). After he passed away in 2011, the PBBA Scholarship Program was renamed the "Gary Kahler Memorial Scholarship Fund" in his honor. The fund provides scholarships to students from within the 14-county PBBA jurisdiction, particularly those seeking a career in construction or a construction related field.

Scholarships are awarded to deserving individuals by the *Professional Women in Building*, a Council of the Permian Basin Builders Association. In 2017, the Gary Kahler Memorial Scholarship was granted 501c3 non-profit status from the IRS.

In 2026, scholarships of \$1500 will be awarded to area students for the fall and spring semesters. Previous scholarship recipients are welcome to apply. To apply for this scholarship a student must:

1. Have or will have a high school diploma or GED prior to attendance of college, university or trade school.
2. Be a U.S. citizen or a naturalized citizen.
3. Submit a brief letter with application stating one or more of the following: reasons why you should be awarded the scholarship, why you need or want the scholarship, your career plans, any information you would like the committee to consider.
4. Qualified applicants may be contacted for an interview.

The application and additional information may be found on the Professional Women in Building website www.prowomenbuilding.com.

Completed application form should be mailed to:

Professional Women in Building,
